When graduation rolls around in May, twenty-five seniors will walk across the platform to receive their diplomas. There were originally thirty-two members in the Class of '58, but seven were lost by the wayside or moved away.

With Mr. Gretschmann as sponsor, they started with a bang. Class officers were chosen as: President, Dorothy Bower; Vice-President, Shirley Steiger; Secretary, Sharon Sorber; and Treasurer, Charles Schwartz. That year marked the beginning of a new era for many of them. Yet they proceeded to leave their mark on the year's calendar of activities as they won the second prize on the class float in the 1954 Homecoming Parade.

Twenty-nine of the original class weathered the sophomore year under the guidance of Mr. Hall. Those who served as class officers that year were: President, Melvin Spinar; Vice-President, Sue Boyer; Secretary, Neida Cahoy; and Treasurer, LaVonne Krivanek.

Under the supervision of Mr. Sell, the juniors spent the first part of the year in a fund-raising campaign by selling magazine subscriptions. They were very successful in the presentation of their class play, When Stars Shine. With money in their pockets, the juniors went ahead to end the year in style with an outstanding prom and banquet for the seniors, the theme: Dancing in the Dark. They were also successful in obtaining the votes by the entire student body to attend Government Day in Winner, South Dakota. The class officers that year were: President, Ralph Harter; Vice-President, Monte Kahler; Secretary, Donna Larson; and Treasurer, Charles Schwartz.

The Senior year has been an eventful one! The Homecoming queen and her attendants won first prize in the 1957 Homecoming Parade. In February the curtain rose on the long-awaited senior play--Our Miss Brooks--a fitting climax to four years at Colome High School. Other Senior Highlights included chili suppers, banquet and prom, and Skip Day. They had a special treat for Skip Day by attending the State Class B Basketball Tournament in Aberdeen, South Dakota. Class officers were chosen as: President, Melvin Heath; Vice-President, Lois Bertram; Secretary, Donna Larson; and Treasurer, Pat Harter. They continued onward under the direction of Mr. Sell.

# Colome Buckaroos

It was an untarnished season for the little Buckaroos until tournament semi-finals. They won their first round in the tournament, but lost out in their tournament game against Winner. As this Annual goes to press, the Buckaroos will be playing for third place March 3.

Mr. Wempe has done a very fine job of coaching the boys, and he should be highly complimented on his hard work and patience.

The Pepperettes, commonly known as the Girls' Club, is an organization consisting of the girls in Colome High School.

The motto of the club is "With malice toward none; with charity for all; with firmness in the right let us strive to finish the work we are in."

The purpose of this organization is to create greater co-operation among the students, as well as to create a love of sports.

They have held several social activities, and sponsored several fund-raising projects. This year they bought the P. A. system for the school.

# Round-up Years

Because of the war and shortage of materials, all girls wore identical dresses in the 1918 graduation exercise.

Three members of the class of 1918

The school building as it was first used.

EXCERPTS FROM LETTERS FROM MRS. EARL HARVEY (RUBY HALLELAND) AND MRS. J. W. ROCHE  
(VIVIAN FETZNER) MEMBERS OF THE 1918 CLASS

There were seven girls and one boy in that first class, which graduated from Colome High School. There had been a year or two of high school subjects taught prior to that, but this was the first to have four years and to produce a graduating class. It was during the first World War, so Sidney Pechota went to the Army. At graduation his empty chair was draped with the American flag and his diploma was left in it. They had promised him that they would graduate him and so his diploma was later sent to him. The sermon in the Baccalaureate service was given by Rev. Wilson of the Colome Methodist Church.

Emma Teutsch married Charles Coyle at White River. She is now a widow with grown children, and she makes her home in Rapid City, South Dakota.

Madeline Flint married Dr. Carle Lenker, and they now live in Winner, South Dakota. They have three children who also graduated from Colome High School. Madeline had a very pretty voice, and she did a great deal of singing. Madeline taught school after she graduated from high school.

Clara Van Meter married Will Huntington, and they reared a family. She is now a widow, and she lives in Oklahoma.

Vivian Fetzner is married and living in Minnesota. They have one son who is attending St. Johns University at Collegeville, Minnesota.

Gertrude Young attended Nebraska University, and then she taught school until she married Leland Fisher. They live at Fable Farm, Waco, Texas. Their hobby is raising racing dogs.

Ruby Halleland, now Mrs. Earl Harvey, taught school for several years. She reared a family of three girls and one boy. They moved to Winner, South Dakota, in 1951. They are staying with a daughter, Jeanne Eriksen. Her husband is working at KWYR Radio Station as custodian. Ruby works at Pilley's Produce Station.

Irene Hather married Sidney Pechota, the one male member of the 1918 class. They live in Omaha, Nebraska, but they are spending the winter on their farm near Colome, South Dakota.

The girls also had a basketball team, and they used to play down the line as far as Spencer, Nebraska.

As for the teachers, Irvin Adams had been the superintendent for three years before he was called to the service. Then a Professor Jones finished the year. He was a likable middle-aged man. The Latin teacher was a Miss Schow, also middle-aged. The other members of the faculty were Ruth Cummings and Mrs. Ethel Adams.

That was also the year they moved into the brick school building that is still standing. The west half was added later. Before the brick building was completed, all grades and high school students attended school in a frame building. The frame building was two stories high, and all together there were about two or three teachers for all the high school students.

All of life is like a book, and each year is a chapter which we write and add to our lives. THE COWBOY is an edition in words and pictures of one chapter in the lives of you, the students and faculty of Colome High School. You planned it, and the Annual Staff of 1958 has written it.

We hope that you, our readers, derive as much enjoyment from it as we have had in preparing it.

Sincerely....
