1972 COWBOY  
COLOME HIGH SCHOOL  
COLOME, SOUTH DAKOTA

Dear Miss Brotherson,

The yearbook staff of 1972 would like to dedicate this years COWBOY to you.

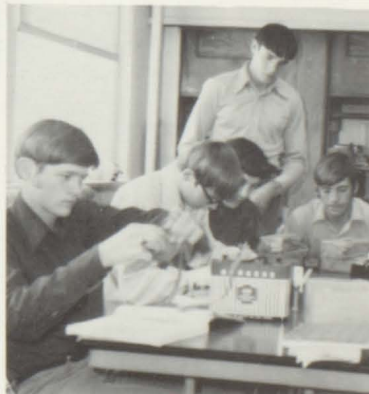

We wish to thank you for all you have done for us. We know you had a busy schedule, but no matter how busy it was you always had time to help and encourage us in every way possible. We feel that dedicating this yearbook to you is the best way of thanking you for all you've done for us.

Thank you, Miss Brotherson.

Sincerely,  
The 1972 Staff

# ACTIVITIES

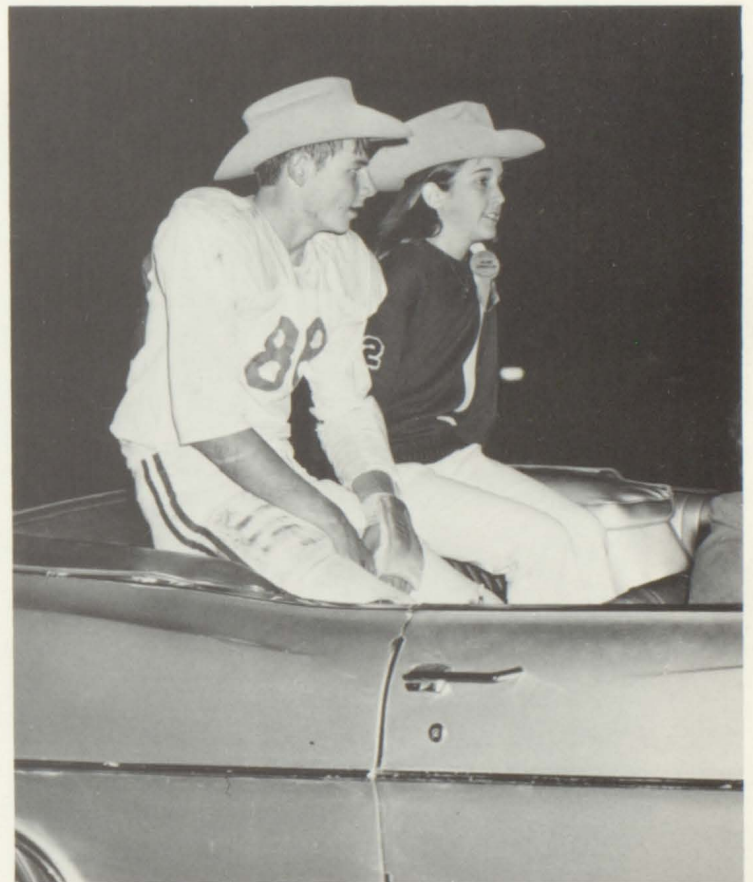

Royalty candidates; Tony May, Deena Vavra, DeEtte Stenson, Wayne Larsen, Rita Hill, and Marty Rohde provided the main interest of the coronation ceremonies.

# HOMECOMING 1971

The 1971 Homecoming activities started out with the building of floats in preparation for Friday's parade.

Royalty candidates were selected during the week. The candidates were Deena Vavra, DeEtte Stenson, Rita Hill, Tony May, Wayne Larsen, and Marty Rohde. Coronation was held Thursday evening. The passing of the spurs and roll call of classes was followed by the moment everyone had been waiting for, the presentation of the Cowboy and Cowgirl. Wayne Larsen and DeEtte Stenson became Colome's 1971 "royal couple." The burning of the "R", symbolic of the Lyman Co. Raiders, and a pep rally completed the evening.

Friday's activities began with a parade followed by a pancake supper. The climax of homecoming was the football game with the Lyman Co. Raiders. The game, played in a torrential downpour, was dominated entirely by the Cowboys as they won 34-6. A sock-hop provided the after game entertainment.

Fired up defense limited Raiders to only six points.

# Go! Fight! Win! Team!

The fighting spirit generated by the pep rally carried over into the rest of the Homecoming activities.

The marching band performed during the halftime of the game. The band made several different formations to entertain the fans.

Senior float sported theme "Pull Together for Freedom".

Seventh grade float received "Most Beautiful" honors.

"Most Original" float is sponsored by sophomores.

Prom is the time for pretty flowers, formal gowns, and an evening to remember for years to come. The junior class puts on the Prom to show their appreciation of the senior class. Without the help of these three student managers, the coaches job would be a lot more hectic. They take care of all the minor injuries, run errands, and keep the locker rooms clean. Their work is hardly ever done. They are usually the first ones to practice and the last ones to leave. They did an excellent job this year.

Coach Ron Struck (Left) and Assistant Coach Bob Stolz (Right) did a perfect job in molding a winning team. Coach Struck, in his second year of coaching, experienced his first unbeaten season ever. He instilled a pride and fighting spirit into his players along with his knowledge of football. Coach Struck's coaching ability can be seen in his 15-2 record.

# Teamwork Did It

A small but agile defense held opposing teams to 9 points per game. Twenty-one enemy aerials were picked off: several were returned for touchdowns.

An explosive offense led the way as Colome out scored their opponents 364 to 80. They were a threat to score on every play, and from anywhere on the field.

Left to Right: Marty Rohde, Tony May, Ken Intorn, Steve Bruckner, Ed Poler, Wayne Larsen. These seniors composed one-half of the starting teams during their last year. They did a good job in leading the team this year.

Colome	20	Letcher	8

The Colome Cowboys started the 1971 football season with decisive shutouts over Midland and arch-rival Bonesteel, 88-0 and 28-0 respectively. The following three games left Colome 3-0 in the conference and 5-0 overall. The fifth win put the finishing touches on a fine homecoming. Two more wins and Colome was still undefeated and leading the conference. A hard fought 45-14 win over the Wood Bulldogs clinched the conference championship for the Cowboys and brought them one step closer to a perfect season. On a brisk Wednesday night the Cowboys traveled to Letcher to take on the Tigers. A series of fumbles and interceptions seemed to dim the Cowboys hopes for victory. The defense was called on again and again. After three separate first downs inside the Colome 10 yard line produced nothing, the offense took over and insured the victory.

The 9-0 season earned Colome a number 4 rating in the South Dakota 8-man football poll. The team did a wonderful job and should be congratulated.

Gene Cahoy demonstrates his high jumping skill which he used to set a new school record.

Endurance is one of the major factors in a successful track season. Marty Rohde, Craig Stenson, Ken Intorn, Dan Kaiser, Tony May, Tim Tarr, and Ed Poler used this ability while running the half-mile, the mile, and the two-mile.

Early spring finds the school's thin-clads preparing for the upcoming track meets. The conditioning at the start of the season is very tough, to put it mildly. The competition at the track meets is keen. School rivals try to outdo each other in every way possible. Colome attended many meets this year placing high in several of them. One new school record was set. Gene Cahoy broke the high jump record of 5 ft. 7 in. at the Pierre Relays. Since then he has broken his record several times.

## It's Always Good ?

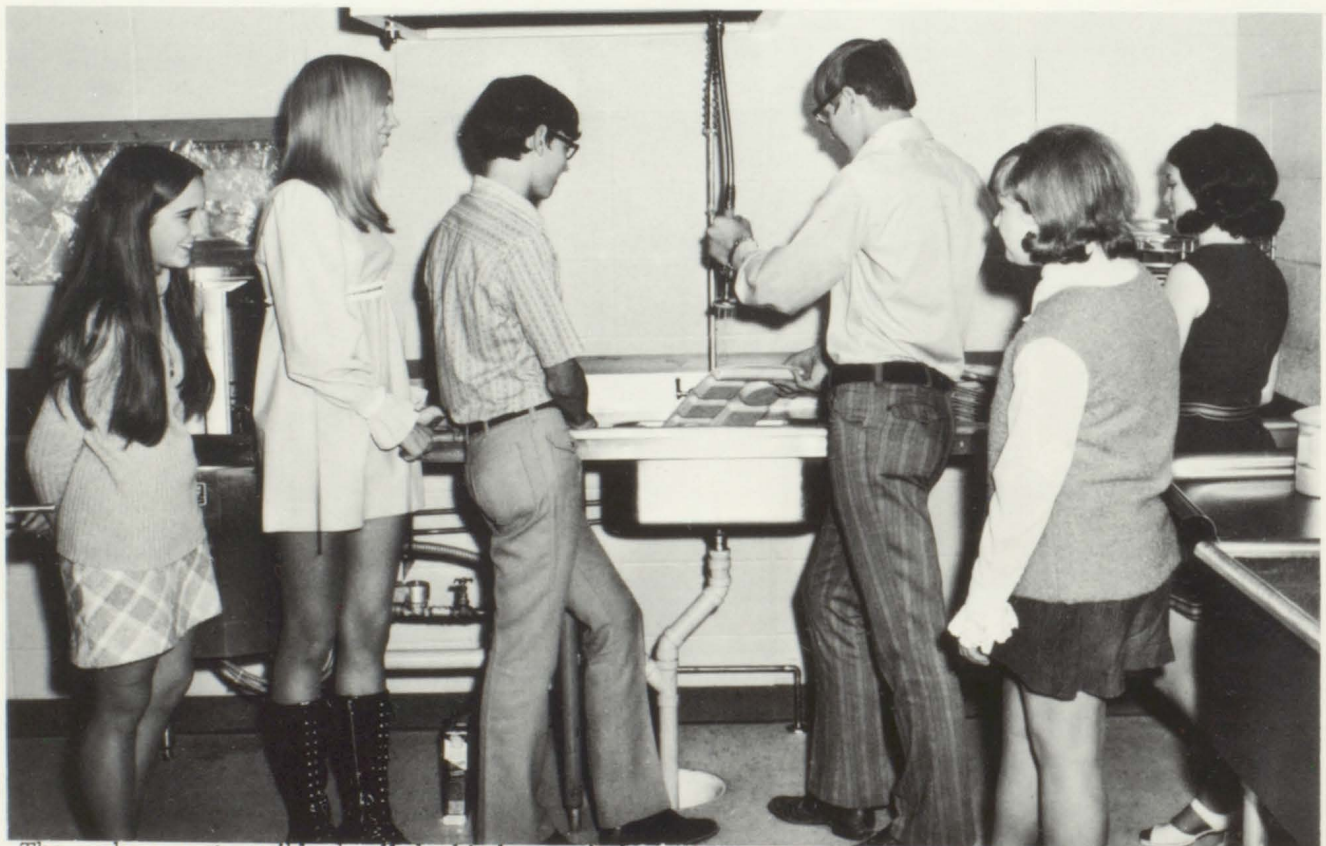

Our cooks, Mrs. Jorgensen and Mrs. Nieman, make daily meals for over 300 students and teachers.

Janitors, Mike Nelson and Raymond Jorgensen, take time out from their work for dinner.

## K.P. Duty

The cooks cannot possibly do all the kitchen work themselves. DeEtte Stenson, Kathy Schwartz, Larry DeMers, Wayne Larsen, Vicki Jorgensen, and Linda Marsh help in the kitchen during the noon rush.

## Through Rain, Snow, and Flat Tires

David Jelinek and Joe Stritecky are two of our fearless bus drivers.

Mr. and Mrs. Vic Weickum make our husband and wife team.

What would we ever do without Mrs. Harter around to solve our problems.

If a teacher needs a job done Mrs. Sealey is willing to help.

The staff of the 1972 COWBOY would like to thank all the area merchants who purchased ads in the year-book. Your help was greatly appreciated.

Thank you

COWBOY STAFF

We cannot dwell on the past, for there is nothing that will bring it back to us. We must, instead, look forward to the future and all of the wealth that it holds for us. Not wealth in the sense of material goods, but the wealth of living.

**GOOD-BYE  
FROM THE  
1972 COWBOY STAFF**

Another school year has passed us by. Many of its memories are recorded in this yearbook for everyone to see. Our year is now over, but it is not forgotten. I would like to thank my staff for the help they have given me; for without their help this book would not have been possible.
