*1974 COWBOY*

*COLOME HIGH SCHOOL  
COLOME, SOUTH DAKOTA*

The annual staff is proud to dedicate the 1974 Cowboy to the Senior Class of 1974 and to their achievements, both past and future. The achievements of the Senior Class as individuals as well as a whole, have been as varied and unique over the past four years as are now their individual goals. It is facing the future challenges of these goals that we congratulate the seniors for their past achievements and wish for them the strength, courage, and wisdom necessary to achieve even greater recognition and success in the future. May the 1974 Cowboy always be a reminder of the high standards you have set for yourselves as a class and as individuals, striving for a better future for all generations.

I would like to take this opportunity to thank all the people, both on and off the staff, who have given so much of their time and talent to make this yearbook.

This year, the yearbook will contain both the 1973 and 1974 Prom and Track. This is done so that in the future yearbooks the whole year's activities may be presented in one edition.

I hope that the 1974 Cowboy will always bring pleasant memories to its readers.

## INEVITABILITIES

A memory is but a dream  
too tangible to hold  
like a snowflake that has glistened and sparkled  
floating  
gently  
through  
the  
air  
only to melt  
into icy cold water in the palm of your hand  
leaving no hint of past lacy whiteness

and if in ten years I have forgotten  
how much shorter I am next to you  
or the middle name of a boy I call "Cav"  
I will remember all that is important  
because  
pressed between the pages I hold in my hand  
remains an orchid, a picture of "the gang",  
a lock of your hair, memories put down in words,  
old faces forgotten  
lingering to remind me once more  
remembering two seventeen-year-olds  
unspoken dreams and promises  
fingers entwined in quiet moments

and the familiar contentment will rest inside me  
as I remember us, our friends,  
and times together  
always there to remember in the pages I hold  
a chapter in our lives

so will I remember  
and shed a tear or two  
and shake a fist at the sky  
for whatever it is  
that melts snowflakes.

Above Picture: The 1973 Cowboy and Cowgirl and their attendents from Left To Right: Brett Stenson, Kathy Rohde, Kathy DeMers, Rod Petersek, Judy Hill, and Dale Larsen.

On the evening of Sept 20, 1973, the coronation of the Cowboy and Cowgirl was held. There was the traditional handing down of the spurs from the Sr. class Pres., Deanne Wranek to the Jr. class Pres., Wes Gossard, as a symbol of Cowboy spirit, followed by the roll call of alumni by Rod Intorn. The students chose Kathy DeMers as Cowgirl and Rod Petersek as Cowboy. There was a pep rally following the coronation and the burning of the "A". We played the Avon priates on Homecoming nite and tied with a score of 20-20.

After the coronation the student body went down to the football field and held a pep rally, which consisted of the burning of the "A", cheers from the cheerleaders, and talks from the football team, coaches, and even "Big Al".

"Accidental Hero" is the story of a school threatened with the loss of their extra-curricular activities. The drama coach and the principal decide that the presentation of a good dramatic play will help. Rehearsals, plagued by constant interruptions, find everyone getting underfoot. It seems doubtful whether the play will be a success, but opening night becomes a resounding success when the mistakes fall together into a riotous comedy.

Congress is now in session.

Face lift, anyone?

"Well, be that way!"

All together now.

The plot of this Hillbilly play revolves around the Popoff family and the Fry family who have been feuding for years. Through the play they try to stop the feud, but Rosie Belle Fry makes things difficult. In the end, of course, the feud is ended and everybody is happy, but not before there are many mixups and trying situations.
