Graduation "78"

This last year was a busy one for the seniors. They were all glad when May 22 finally arrived, but they'll never forget all the memories of ole C.H.S. These last few years have been fun and we really can't say we regret leaving, only we're sure most of the seniors will miss all the good times. The Senior Class of 1978 wishes to thank everyone who helped them make it through their final year. It will hold alot of memories for the years to come.

The speaker for Commencement was Senator LeRoy Hoffman. His speech was very interesting and kept everyone's attention. Mr. Hoffman told the seniors they could make their dreams come true if they worked at it. I'm sure they'll try to follow his advice.

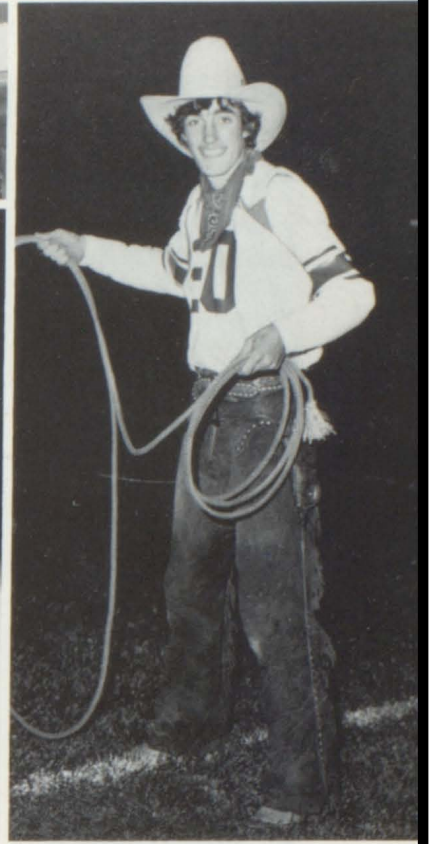

Joyce Mansheim welcomed everyone to Commencement and gave a short speech on the last four years the class has had together.

Randy Bertram thanked everyone for attending and wished all of his classmates good luck in the future. He also believes the seniors can make their dreams come true if they work at it.
