The 1982-83 candidates for Homecoming were top L to R: Cowboy Tony Bicek, Cowgirl Marilyn Bertram. Bottom L to R: Ross Rohde, Donna Hladky, Lisa Ring, Dale Forgey, Lee Scadden, and Alane Pochop.

September 16, 1982 was the beginning of Homecoming weekend. We started out with Coronation Thursday night where Tony Bicek and Marilyn Bertram were named Cowboy and Cowgirl for 1982. After Coronation everyone gathered out at the football field for the Burning of the "B".

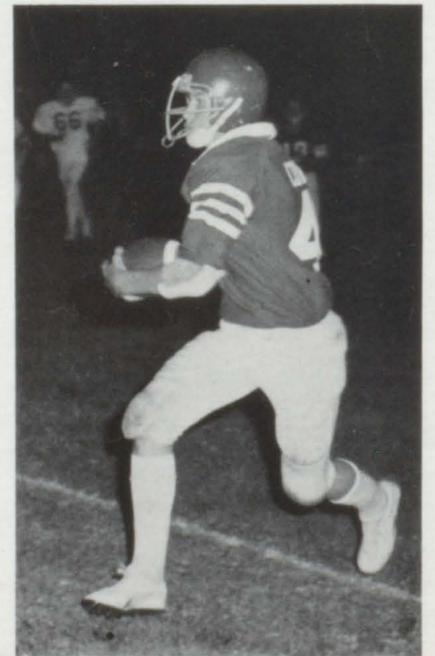

Everyone was busy Friday morning putting the finishing touches on their floats for the parade. First place winners in the High School float division were the Juniors and the Grade School float division winners were the fifth graders. Winning first place for the business float division was the Winner VFW.

At 7:30, Fetzner Field was full of cars and fans who had come to watch Colome and cheer them on with the game against Bonesteel. Bonesteel defeated Colome 42 to 12.

Senior Class President: Lee Scadden

Our prom theme this year was "You and I - An Evening in Paradise". Our colors were orange, yellow, and green as this was a Hawaiian prom.

Tony Bicek and Beth Weidner sang the theme song 'Just You and I' before the meal, which was prepared by the junior class mothers. When we had finished eating, Todd Shippy read the prophesy and Lee Scadden read the Senior class wills.

The dance was held after the banquet. Our band was called "Mogan's Heroes" and they were enjoyed by all. Dale Forgey and Lisa Ring were crowned King and Queen.

Special thanks go to the juniors and their advisors on such a successful prom.

# FHA

1982-83 FHA HERO Members

This year each of the FHA members selected a secret grandmother (or grandfather) and sent them cards on their birthdays and on holidays. Christmas was a very special time for the secret grand-parents because each of the members, with the aid of Miss Johnston, sent them fruit baskets. We hope they enjoyed these just as much as we enjoyed preparing them.

At the FHA spring tea, each member revealed their identity to their secret grand-parent. Participants in Home Ec as well as those in FHA put on a fashion show using garments which they had either made themselves, purchased, or borrowed from area stores. The tea was enjoyed by all!

Our FHA Officers are L to R: Sheri Scheinost, vice president; Susan Scheinost, president; Beth Weidner, treasurer; and Jennifer Leber, secretary.

# FHA TEA

The FHA Spring Tea was held on May 9th, 1983. At the beginning of the evening each of the FHA members revealed their identity to their secret grandparents.

JoAnn Hauf was the "mistress of ceremonies" and the FHA people greatly appreciated all of her help. Each person modeling for the tea, wore clothes made by either themselves or someone in Home Ec.

We hope everyone enjoyed the tea as much as we did!

After a lot of hard work and fun, the cast was finally ready to show the audience what the comedy "Rest Assured" was all about. On April 16, the play was put on and enjoyed so much that it was shown again on April 21.

"Rest Assured" tells the story of the wealthy, Mr. P.U. Morlock, who refuses to allow the marriage of his daughter to a poor, but honest young man. Through a ghost haunting and the unconcerned attitude of his family over his own death, Morlock learns a valuable lesson about other people and his own attitudes and value system.

Just before Christmas the Chorus put on their Christmas concert and later, went caroling at the Winner Nursing Home.

After vacation several groups began preparing for a choral contest in Lake Andes. We were not able to attend this contest because of bad weather.

26 people tried out for 16 spots in the swing choir this year. These people worked very hard on the routines as well as their music. They performed at the Spring concert and the choral festival in Burke.

For the 1982-83 school year the Lariat staff consisted of 10 Seniors, 13 Juniors, and 11 Sophomores for a total of 34 members. Each staff member worked very hard on doing the assignments and putting the paper together.

The Editors for the Lariat were Alane Pochop and Dale Forgey. During the year we chose Sheri Scheinost and Randi Jo Stenson as Co-editors. These two were a big help in getting out assignments, typing, and putting the paper together. They also put out the final paper by themselves.

We would like to thank everyone for all the time they spent working on the school paper.

The Colome High School cheerleaders have been very busy this year in raising the spirit of the Cowboy and Cowgirl fans. The girl's basketball cheerleaders sold "super fan" pins during the girls basketball season. Planning skits for the pep rally, drawing posters, and making up new routines and cheers have kept the cheerleaders busy throughout the boy's basketball season. Six of the girls attended a cheerleader clinic which was held in Gregory. It was put on by the USD/S cheerleaders. They learned many ways in which to improve their old cheers. Enjoyed by all of the girls, the clinic was very helpful and was also a lot of fun. The cheerleaders try every year to keep the spirit of CHS alive and this year was no exception.

The 82-83 Cowboys played one of the toughest schedules ever faced by a Colome team. The Cowboys played some very competitive teams this year, 4 of which were ranked.

For the third consecutive year, we traveled to the Jones County Tournament to play and watch some very impressive teams, 3 of which were ranked.

Even though the Cowboys were out of the tournament the very first night of District 28 action; the season wasn't a total loss. A lot of experience was gained by the underclassmen which will be of great help in future years of Cowboy basketball.

This year the Cowgirls set and accomplished three very important goals. They ended their season with a very respectable 17-4 record, the best ever by a Cowgirls basketball team; became co-champions of the South Central Conference; and won the District 28 Tournament. The spirit of CHS was at an all time high.

Even though the Cowgirls lost to #1 rated Armour in the Regional tournament, they finally got the respect and recognition they deserved by defeating Plankinton in the consolation round.

Next year the team will lose one senior, Marilyn Bertram, but the Cowgirls will continue to be "totally" awesome!

Since this was a rebuilding year; the new head coach, J.R. Mayer, who came from Delmont, had a lot on his hands with the mighty Colome Cowboys. Along with a new coach also came plenty of playing time and experience for the underclassmen. Most of the time this year's football season was rainy and cold, but the fan support was always great. The Cowboys also got a chance to play in two overtime games, one in which we beat Delmont and the other in which the Marty Braves came out on top. Even though the season ended up with only 3 wins and 6 losses, it was enjoyed by all!

The 1983 Track season definitely had its ups and downs. The weather proved to be very uncooperative and our all-weather track just couldn't stand all the precipitation. However, both boys and girls managed to achieve personal and team goals.

The girls set three new school records in the Mile, Medley, and Two-mile relays. They also placed 3rd in team points at the Region track meet in Armour. It was at this meet that Teresa Pechota set a new school record in the high jump.

The boys had strong individuals who scored in everything from the long jump to the 800 run. Also, their Mile relay scored at almost every meet.

Qualifying for the State Meet held in Sioux Falls was Bernadette Demers. She will be competing in the open 800.

The Senior Government class took their annual trip to Pierre on Jan. 30, 1983 to see the legislature in session and a tour of the Capital. We also went to Oahe Dam and River Park for a tour.

The Senior class attended a jury trial in Winner to learn more about Government.

The Senior English class spent a full day at the Tripp County Library getting information for their term papers.

The annual Senior-Faculty basketball game was held again this year with the men faculty and Senior girls winning.

The Seniors were very busy this year working in the concession stands during basketball games to raise money for graduation.

The 1983 Seniors were glad to have the opportunity to attend C.H.S. and wish the future classes the best of luck.

GOOD-BYE  
The Class of 1983!
