The Junior Class of 1993 is yet one year closer to being "Big Man on Campus." We have had a pretty busy year, but lots of fun.

This year was the first year, the junior class won 1st place with our float in Homecoming.

The Junior Class had lots of fun and excitement selling those wonderful magazines, for Prom. We decorated prom and it turned out to be a success. Thanks to all that helped!

We are definitely looking forward to our last, but best year, yet!

THE SUPER SOPHOMORES

The Seniors of '94' took part in all of the activities that make school what it is this year. We watched as the Freshman were humiliated and we were happy it was them, not us. We built another terrific float, which the judges must have overlooked again. (Maybe next year). We went to classes with a happy face on that our teachers greatly enjoyed. Most of all, we had another year of laughs, giggles, and other weird noises and we're looking forward to being Juniors.

The Freshman class, of 1995, has moved one year closer to graduation. The year started with a bang. The real fun began the week of Homecoming. Everyone's personal favorite was, of course, "Slave Day". This was the one day out of the year when everyone was allowed to laugh at the freshman class and actually have a good reason for it. It turned out to be alot of fun.

The remainder of the year has consisted of many other activities. We spent much of our time participating in sports, music and etc. Overall, it has been an exciting 1st year of high school.

ABOVE: Anticipation!!!

Fun is the one word that would be used to describe the 1991 Cowgirls Basketball season. We were a team in the truest sense because we were all full of love for each other, and we just had a blast the whole season. We ended up with a 12-9 record, which was the best record since 1986. Highlights would have to be our emotional victories over Platte and Winner, and the lowpoint would have been our disappointing loss to Geddes in the District Tournament. With many young, talented players returning, the Cowgirls have high hopes for next year. Our 2 seniors, Jennifer and Terri Lee, and student manager, DeLonne, will certainly be missed. We love you girls. Because of all the tears and laughter, the 1991 season was a very memorable one that will not soon be forgotten.

The team started off real well, then lost a few in the middle, then won a couple at the end. The girls were young this year and that showed at times, but the team played hard and never gave up. It was a fun year. Now the girls have to work hard in the off-season and get ready for next year to "Take No Prisoners!"

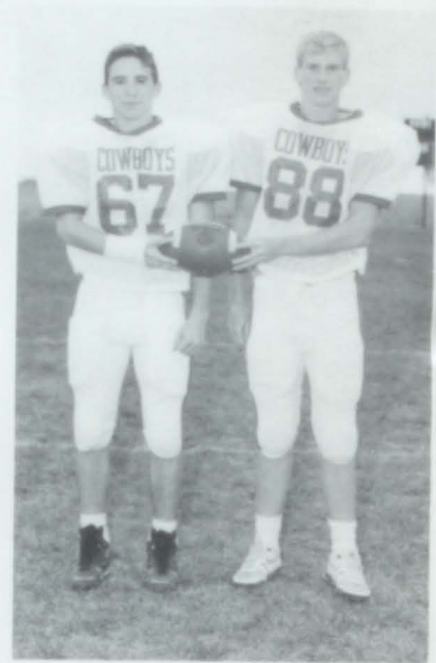

"MEET ME AT THE TOP"

The 1992 Cowboy Football season ended in Lyman County with its last regular season game. It was the first time since 1987 that Colome failed to qualify for the post season. Reflecting back leads one to great optimism for the future. Even though the Cowboys ended its season with a 3-5 record every player will be back for next year as there was no Senior starters. A big upset over 4th rated Bonesteel/Fairfax was the season highlight and shows what can be expected for next year. A wild shoot out in Avon (62-54) kept the Cowboys out of the play-offs but showed they had an offense that could ignite at anytime. Four individuals were named to the All-conference team: Juniors, Lance Johnson, Justin

Heath and Kurt Letellier along with Sophomore, Ray Peters. This nucleus to build upon for 1992 promises to be a team to battle for the right to go to Vermillion next November, and put Colome back where it belongs in post season play.

The year went pretty well for the Cowboys. Yes we would have liked a better record than 9-13, but a lot of good came around, especially valuable experience was gained by everyone. That will work out well for our returning people.

We will lose 2 seniors, 1 ball player and 1 manager. Allan Bertram did a lot for us on the court in 2 years by scoring points; ripping down missed bricks, and playing defense. He will be greatly missed. Jennifer Cahoy did an outstanding job on the scorebooks and she will be missed also. Good luck to you both.

The young men surprised people by placing 2nd in the Jones County Tournament.

We have a lot of good athletes returning and a lot to look forward to for next year. They will have to work hard in the off-season. NOT REBUILDING - JUST RELOADING!!

It was a rebuilding season for the Colome Cowboy Junior Varsity Team. It was the first year of high school basketball for the Freshmen and for several of the Sophomores so our inexperience showed in several of the games. We ended up the year with a 5-11 record. However, much improvement was shown over the course of the year, and the young athletes never gave up and had a good attitude all season. The 'Boys ended the season with a 3 game winning streak culminated with a great victory over Marty Mission. With hardwork and dedication, the future of the Cowboys looks bright.

This year's Cowgirl team bump, set, and spiked it's way to a 11-10 season which is the best one yet. Good job! We made it to 2nd place in the Regionals which is excellent. The team was lead by 6 returning letter winners and super bench support. Next year is going to see a young but tough team as 6 Seniors leave but with hard work and lots of determination they will have another good season.

This year was lot of fun and no matter how much teasing Coach Gronlund got for substitution he led us on to many victories. The J.V. had a 4-9 season and were led by Miss Bertram aka Coachette. We're looking forward to seeing some good volleyball next year. Good luck and have fun!

This year's track team consisted of 16 hard-working individuals. They were coached by Mr. Fennewald and his assistant Mrs. Furness.

Three school records were broken this season. They include Terri Lee Luse in triple jump and Ray Peters in both the 100 and 200. Ray also qualified to run at the Howard Wood Relays in their special event. This was a first for any Colome athlete.

The State Trackmeet qualifiers include: Ray Peters in the 100, 200, and 400; Valerie Vobr in the 100 and 300 hurdles; Terri Lee Luse in the long jump and the 800 Relay Team consisting of Dan Cahoy, Nick Wranek, Steve Leber and Ray Peters, with Steve Richey as the alternate.

The coaches felt that the 1992 track season was very successful.

CHEERLEADERS

The Cheerleaders were active this year with school decorating, providing treats and pep rallies for the football and boys basketball teams, and cheering on the Cowgirls. The cheerleaders held a cheer-leading mini-clinic for grades kindergarten through sixth on January 24. The younger girls were taught cheers, made posters, and received a Cowboy Hanky which they waved at the game against Gregory that night.

A big thanks to Mrs. Rohde for all her time and effort.

We started celebrating Homecoming 1991, on Thursday night, September 26, with Coronation. The candidates were DeLonne Rohde, Jennifer Cahoy, Terri Lee Luse, Nicole Burken, Andy Bender, Travis Matousek, LeRoy Veskma, and Allen Bertram. The 1991 Cowgirl is Terri Lee Luse, and the 1991 Cowboy is Allan Bertram. Serving as Mistress of Ceremonies was Alisa DeMers. Congratulations to all! We then headed out to Fetzner Field for the annual bonfire and pep rally.

During Homecoming week, everyone was getting psyched up for the big game. One of the annual events, which was enjoyed by all, was Freshman Initiation Day. Most of the Seniors' "slaves" were rather strange looking, and were the objects of much attention. Our parade was filled with many nice floats, and our 1991 Parade Marshall was Warren "Buck" Sealey; the theme being "Soap Operas." By 7:00 p.m. the Fetzner Field football stands were getting full of excited fans, eager to cheer the Cowboys to victory! This year's opponent was Andes Central. The night ended on a high note, as the Cowboys defeated the Eagles 19-8.

This year's play was "Heading For A Wedding." We had two new directors this year. Mrs. Jacobsen was the head director with Mrs. Rohde as the assistant. They did a wonderful job with getting the props and costumes lined up. We also had many new faces in the cast this year. Lots of new talent shined and the play was lots of laughs, even when a few lines were forgotten. Special thanks goes out to the stage managers, who always kept everything in order and running smoothly. Hope to see as many actors and actresses back next year to keep up the good work.

The 1991-92 Annual Staff was made up of very creative and hard-working individuals.

A lot of time and effort was put into this year's "Cowboy". We hope everyone of you enjoys looking through it and reminiscing about the year that has past. May it bring back all the laughter, smiles, and tears and keep the memories close to your heart.

BAND

RIGHT: The Band marching in the '92 Homecoming Parade.

This has been an exciting year in band. Our new director, Miss Youngberg, who is always very energetic, came up with many new ideas for band. For fund-raisers we sold fruit, meat and cheese, had a slave auction, and had our annual pancake breakfast. We will be using part of the money for the 9-12 members to go to Valley Fair.

We spent a lot of time practicing marching and marched in the Winner Labor Day Parade, Gregory's Homecoming, and our own Homecoming Parade. We also performed two concerts, played at different suppers, and sent a small group to the Augustana Band Festival. It was a busy yet fun year!

CHORUS

This years chorus class consisted of many talented individuals who were eager to sing.

The first big event was the Gregory Choral Festival in November. As December rolled around, they practiced hard, and performed at the Christmas Concert. Several public performances for local organizations and benefits were made, and the year was topped off with the Spring Concert in May.

In November, Brenda Lilly, Roxanne Peterson, Justin Heath, and Kurt Letellier were chosen to attend All-State Chorus in Sioux Falls.

Our new Music Director, Miss Youngberg, made the year a fun and memorable one for all.

1992 PROPHECY

In the year 2017 the reuniting class of 1992 gathers for their 25th class reunion. They decided to make a weekend of it and go on a mini cruise using Kerry Olson's ship. She now owns Carnival Cruise Lines in San Francisco, California. Plans were arranged so Allan Bertram, now the personal pilot for the Boston Celtics, could pick up his classmates on his way. Assisting him was his stewardess, Marie Grayot. The closest to pick up was Jennifer Cahoy. She was now an opera singer in New York City. It was quite a shocking surprise to see she had gained 110 pounds since high school. Finally, after getting her loaded, they proceeded to find Nicole Burken in Delaware. She was a well-known love columnist who answers all questions in her column, "Dear Nikki." After much delay caused by her attraction to the surroundings, they were off again. Next they were to stop and pick up Brenda Giedd in Maryland. She was fulfilling her faithful duties as a nanny to nine children. A few hours late, they arrive in Illinois to pick up Allan's old flame, DeLonne Rohde. She is now the famous publisher of all beauty magazines. They found her sitting on a rug of magazines, so they picked up the rug with her and the magazines on it and shoved them in the plane. By now space is limited and they are only half reunited.

As the plane drew closer to their hometown, the six began to reminisce about old times. Finally, the good old town of Colome came into view. Some of them hadn't seen it since high school. It was hardly recognizable. Colome had blown up, believe it or not! There they were to pick up the head nurse of radiology, Terri Lee Luse and Travis Matousek, who is attending shop classes at Colome High. He still needs to get enough credits to graduate. They wanted to stick around but didn't have time to spare. So they flew off to

Nomen, Utah. Tammy Krumpus, better known at Sister Tamara, greeted them at the airport. After her many bad experiences with men, she retreated to a nun convent in a city with no men. Sister Tamara, made a point to follow her custom by hugging everyone on the plane *before* they were in the air. This put them even further behind.

Soon they were airborne, trying to make up for lost time. Just coming out of a cloud, Allan spotted red cherries hot on his tail. Stopping in mid-air, Deputy Dave and Sheriff Sherman stepped out of the Sherm-copter. No one could believe their eyes. They were walking in mid-air in float boots invented by Jerry and Mary Grayot. Sheriff Sherman proceeded to write out a ticket for speeding, and also for exceeding the weight limits. He gave no mercy in fining them \$2000 which went to the New Gym Floor Fund because they were still taking donations.

Finally after an hour of listening to the Sherman & Fenny show, they were on their way to Mad, Nevada to pick up the last three of their classmates. LeRoy Veskrna was going to meet them there. He was roaring in from Mexico with his Harley gang. And last, but certainly not least, meeting them from the lab were the owners of A & A Science, Alisa DeMers and Andy Bender. They were heard arguing about the altitude at which they would be flying to get to San Francisco. They continued this fight up until the time they boarded the plane. In much of a hurry, they took off for San Francisco with only 15 minutes to get there. After a half hour of flying, they landed and ran to the dock. There they saw Kerry waving from the ship, which had just departed. On the dock a message was written: Couldn't wait any longer.

Glad to see you could make it,
Hope to see you in another 25 years.

This year's staff was a hard working one. They were usually good at handing their assignments in on time, well most of the time! This year we tried something a little different. We worked at getting out the issues at the beginning of the month instead of waiting till the end. This year's dedicated editors would like to thank Mrs. Grayot for all of her time and help and to wish next year's editors, Crystal and Katie, the best of luck.

T.I.C.K.L.E.

T.I.C.K.L.E. is a new organization at Colome High School. T.I.C.K.L.E., which means Teens In Colome Keeping Life Exciting, is the name of our adventuresome group from CHS that went to Teen Institute at Northern State University in Aberdeen.

Teen Institute was held the first week of August. We learned about various things such as self-esteem. We all met alot of new friends. Everyone had a lot of fun that they will never forget!

The first event of the year for the pep club was a picnic in the park as an organizational meeting. The club began its activities by changing the name of the group. A contest was held for new names, and Brenda Lilly won with the name "Firing Squad." Also in the fall, the Firing Squad held a raffle for the '91 Cowboy Homecoming Football which was signed by the team and coaches and they sold Homecoming carnations. During basketball season, they held a hoop shoot contest to raise money.

Throughout the year the group and cheerleaders provided locker treats, locker signs, and signs around the school to fire up the athletes. Pep rallies for the girls' basketball & volleyball teams were given with help from the Firing Squad. During the week of February 10-14, the Firing Squad members drew names of athletes for secret pals and provided treats for the athlete during the week.

All in all it was a busy year for the Firing Squad.
